**Old Business - None**

**New Business**

**Website:** Todd will add the Tricky Tray “Save the Date” to the home page.

**Documentary:** John Bell completed the narration. The students are completing the project at home due to graduating Copeland this past June. The final version should be 30 – 40 minutes.

**Celebrity Day:** Daytop will present in November. Anthony Duran will speak for Phase II. Project Pride will present Phase III on May 21. All agreed that Anthony’s would be chosen for Celebrity Day dinner.

Tentatively Nick De Angelo, John Luppò, and Charles Bracey will speak to the 7<sup>th</sup> grade.

**Tricky Tray:** “Save the Date” flyers were printed and available. Charitable event donation letters were also available.

**New Brochure:** Lisa designed and made available a draft copy of the new brochure. All approved of the new layout and suggested we proceed with the proof and printing so they may be available for Copeland back to school night.

**Promotional Incentive Items:** We have enough pens so purchasing one more item was suggested. We narrowed the choice to two items, lip balm or hand sanitizer. Keeping within a budget amount, we get more units with lip balm but most preferred the hand sanitizer. We need to decide promptly since they are primarily for back to school night.

**Copeland Back to School:** 6<sup>th</sup> grade date is October 2<sup>nd</sup>. 7<sup>th</sup> & 8<sup>th</sup> grade will be on September 27<sup>th</sup>.

**Public Session:** N/A

Meeting adjourned at 8:15 pm.
